Open Issues...

you have and we can answer

- You have to fire a manager and the successor is not hired until now. We take over the **part-time management** and support you in the **hiring process**
- You have a project, but nobody who can be responsible internally for this task. We take over the **overall project responsibility**
- You plan to set up a new company or department and need somebody who pulls the strings. We coordinate the **setup** and take over the **leadership**
- How are you able to be more successful without hiring more employees? We optimize your **Organization**
- You have in fact **increasing sales**, but no **increased profit**. We support you with your **cost management**.

you have and we can answer together with our partners

- How can you acquire **new customers**? We support you in enlarging your business area with a **marketing and sales concept**
- You or your employees have **ideas** for new business areas. How can you convert your ideas in business? We support you in verifying your **profitability** and support you in the implementation of your **projects**
- How can you increase your **Contribution Margin** and your **Cash Flow** without new investments. We support you
- Your **payment process** is not working properly: vendor invoices were paid too early, customer invoices were sent too late. We support you in optimizing your payments
- Your **monthly and annual financial statement** takes too long. We support you in optimizing your balance sheet

What is Interim Management...

Loss of an important leadership force

- On the first or second management level falls suddenly and unexpectedly a leading force. The position must be filled until the successor is found

Project Management

- An important project is planned and you need an experienced, goal-oriented project manager

Building of new Companies or Business Sectors

- You would like to form a new company, business sector or you would like to build a new market. We take over the setup and the „startup“ management

Re-Structuring, Restoration, Turn-around

- Your company, divisions or departments must be re-structured. Our managers, resistant to crisis, take over this task

Purchase / Sale, M&A, Succession planning

- We support you with the purchase or sale of your company or help you to find a successor

Takeover of the Board mandates

- We mandate as member of the Supervisory Board.

Our Services...

Take-over of a mandate as „Interim manager“

- We fill vacancies until the successor is found

Take-over of a mandate as Project manager

- We take over the overall project management. We work financial and time-oriented, pragmatic and goal-oriented

Management Consulting

- We are pleased to advise you in all strategic, operational and tactical aspects of your business

Placement of Interim managers and Project managers

- Based on our large network and our relationship to partner companies we are able to provide you with Interim Managers or Project Managers to interesting conditions.
